

Objective:

Tech Enthusiast with a strong foundation in Artificial Intelligence and Data Science seeking a challenging role where I can leverage my problem-solving and technical skills to transform data into meaningful insights, support data-driven decision-making, and contribute to organizational growth while continuously learning emerging technologies.

Area of Interest:

- Data Analytics
- Generative AI
- Machine learning
- Natural Language Processing

Education:

- **B Tech in Artificial intelligence & Data Science**|Dr.Mahalingam college of Engineering and Technology | Pollachi | 2023-2027| **CGPA : 8.6**(Till 5th sem)
- **HSC** | Srinivasa Vidhyalaya Matriculation Higher Secondary School | Udumalpet | 84.8% |2022-2023
- **SSLC** | Frontline Millennium School | Tirupur | 88% | 2020-2021

Skills:

Technical Skills:

- **Programming Languages** : Java,Python,C
- **Database Management** : SQL,MongoDB(Basics)
- **Machine Learning** : Model training and Development
- **Natural Language Processing (NLP)**: Text Preprocessing,TF-IDF, Cosine Similarity

Soft Skills:

- Quick Learner
- Time Management
- Team Collaboration
- Adaptability

Projects:

AI Movie Recommendation System

2024

- Developed an AI-based movie recommendation system using content-based filtering (TF-IDF & cosine similarity).
- Integrated OMDb API to fetch real-time movie details and built interactive features using Streamlit.

SchemeSense – AI-Based Government Scheme Recommendation Platform

2025

- Built an AI-powered welfare scheme recommendation platform using NLP and keyword matching.
- Developed a chatbot-style interface with Flask, HTML, CSS, and JavaScript for personalized scheme suggestions.

Internships:

Gateway Software Solutions - Python with Data Science , Coimbatore

2025

- Worked on real-world Python datasets & gained hands-on experience in Data preprocessing and visualization techniques to analyze patterns and extract meaningful insights

Certifications:

- Certified in Introduction to Data Science,Machine Learning for Beginners and,Introduction to LLMs courses.
- NPTEL Certifications in Soft skills and Human resource development.

Achievements:

- Certified with Exemplary and Distinction on IECD Software courses from Bharathidasan University
- Successfully completed a 1-week NSS camp actively engaging in social and community outreach-2025.

Extracurricular Activities:

- Enthusiastic quote writer with a passion for expressing ideas through original and inspiring content.
- Regularly engage in creative writing to foster creativity and effective communication.
